Principles	Key Competencies
<p>Foundations of curriculum decision making</p> <p>High expectations At Bayview School our curriculum supports and empowers students to learn and achieve personal excellence through modelling, scaffolding, regular communication and encouragement.</p> <p>Cultural diversity At Bayview School our curriculum encourages students to value the histories and traditions of our people.</p> <p>Inclusion At Bayview School our curriculum is non discriminatory. Our programmes are designed to ensure that all students' identities, languages, abilities and talents are recognised and affirmed, and learning needs are addressed.</p> <p>Coherence At Bayview School our curriculum makes connections within and across all dimensions (values, key competencies, learning areas). Our programmes provide authentic experiences to encourage further learning.</p> <p>Future focus At Bayview School our curriculum acknowledges the changing nature of the world and we encourage our students to be curious and inquire about future focussed issues.</p> <p>Treaty of Waitangi At Bayview School our curriculum allows students to experience opportunities within and across learning areas that help them understand and acquire knowledge of te reo Maori me ona tikanga and the bi-cultural foundations of New Zealand.</p> <p>Community engagement At Bayview School our curriculum has meaning for our students and encourages families to take an active role in their child's learning. The support of our wider community is valued.</p> <p>Learning to learn At Bayview School students learn how to learn through the 'Assessment for Learning' model. They are encouraged to be reflective, resilient, and resourceful and to relate effectively.</p>	<p>Capabilities for living and lifelong learning At Bayview School we recognise the importance of developing capabilities for living and lifelong learning. We incorporate the key competencies throughout every aspect of school life. In our learning we drive the key competencies through our 4 R's and our I C.A.R.E. values. 4 R's</p> <p>Resilience</p> <div data-bbox="1059 379 1966 539"> <p>I am learning how to absorb myself in learning I am learning how to manage my distractions I am learning how to pay attention to detail I am learning how to persevere</p> </div> <p>Relationships</p> <div data-bbox="1059 571 1989 813"> <p>I am learning how to decide whether or not to work on my own (independently) or with others (interdependently) I am learning how to work co-operatively and collaboratively with others I am learning how to listen with empathy I am learning how to learn from others</p> </div> <p>Reflectiveness</p> <div data-bbox="1059 914 1989 1106"> <p>I am learning how to plan for my learning I am learning how to revise my learning I am learning how to make connections I am learning how to understand myself as a learner I am learning how to set my own learning intention and goals</p> </div> <p>Resourcefulness</p> <div data-bbox="1059 1137 1989 1310"> <p>I am learning how to ask questions I am learning how to make connections I am learning how to imagine I am learning how to reason I am learning how to make good use of resources</p> </div>
