HEART KIDS FUNDRAISER

A massive shout out to Georgia, Olive, Zoe and Mari-Lyn for organising this years' Heart Kids fundraiser. This enterprising group raised \$815 which will go to support children with heart conditions. I am so proud that our kids know that they can make a difference. They don't have to wait for 'someone' to step up and be proactive, they are the 'someone'.

Often we can disempower kids by telling them 'its' someone else's job to do that' or 'you will never make a difference'. Let's start telling our kids that they can make a difference in their world. Let's empower them to create a society based on kindness.

Change can happen with the smallest act of kindness!

It's week 4 already! Time is flying by. We have been so lucky with the weather but it has created a few issues with some kids getting very tired (I know how hard it has been sleeping in this heat) and some children not drinking enough water and becoming dehydrated. This results in them becoming tired and cranky! We try to remind the children to drink lots of water throughout the day. It helps if they have their own drink bottle which can be refilled from our water fountains.

With this heat the children have become very creative with their play. We have a group who have decided sliding down the slope on cardboard was a great game. Yes we have had a few crashes but nothing serious thankfully. I have been really impressed that the children have been able to self regulate in this area and keep each other safe.

We have had two broken arms though. One of our children was climbing and swinging on the old soccer post after school and fell and broke her forearm. Thankfully mum and dad were there and alongside staff were able to get her to the doctor quickly. She is now in a cast having to cope with the heat! Another child was playing ninja and lost his balance resulting in him falling on his wrist which couldn't cope with the pressure and broke. He too is now in a cast having to cope with the heat! No more ninja games for him for a while!

Please know if your child is seriously hurt at school we will contact you straight away. This is why it is important to keep your contact details up to date at the office. It is also really important that we have the contact details of someone else just in case we can't get hold of you.

SCHOOL FACEBOOK PAGE

One of our main ways to communicate with parents is via our school facebook page: <https://www.facebook.com/bayview.primary/>

The official page has the lion cub mural as the profile picture. Please note the Friends of Bayview School facebook page is purely for fundraising and will not have all the school messages on it.

PUT THIS DATE IN YOUR DIARY!

On Monday 13th May, Kathryn Berkett is running 2 parent sessions to support parents with understanding their child's behaviour and developmental stages. These sessions will be held at Glenfield College and will be free to parents from our Kahui Ako Schools i.e. Bayview. We will send out more information closer to the date but I highly recommend parents attend one or both of these sessions.

TOMORROW'S SCHOOLS REVIEW

As many of you will know there is currently a review of the New Zealand school system underway. Some of the changes include dissolving the Ministry of Education and creating 'Education Hubs' responsible for clusters of schools; taking property responsibility off school Board of Trustees and giving this to the new Education Hubs; and many other suggestions. You can view these on the Ministry of Education website www.education.govt.nz

If you are interested in attending a consultation meeting about this details of the North Auckland meeting are:

Wednesday 27 Feb
 Rangitoto College
 564 East Coast Road
 Mairangi Bay
 4-6pm, or
 7-9pm

Or you can submit your responses via survey, in writing, or orally.
