

Bayview School Newsletter

www.bayview.school.nz 09 444 2222 office@bayview.school.nz

Dear Team Bayview,

Welcome back to the 2019 school year! We hope you had a fabulous summer break with your whanau and had lots of time to rest and recharge.

It has been lovely catching up with all the children over the past week and seeing their fabulous smiles! We enrolled 32 new students on day one and welcomed them with a mihi whakatau on Friday 1st February. Our roll is currently sitting at 367 students and we have 64 students already pre enrolled for the rest of the year. This will take us to 431 students by the end of the year!

On Thursday we also welcomed Ms Kirsten Stuckey who will be our classroom release teachers, Mrs Michelle Hayden as release teacher, and we welcomed back Mrs Amy Nicholas who has returned from her travels through Europe. I am very grateful that we are fully staffed for the 2019 school year unlike many other schools who are struggling to employ staff! I am so proud of our children and the way they have engaged with their learning already! I have heard many stories of how they have made a difference to others over the summer break! Some kids went out and cleaned up rubbish, others upcycled things (like our new seat) and then gave them to others to enjoy! Bayview School kids make a difference to others and a difference in the world! This makes me incredibly proud!

EXPECTATION MEETINGS

Tonight (Thursday 7th February we are holding our expectation meetings. At these meetings you will be able to find out how your child can receive a learning certificate, or an I CARE award, or an upstander wristband! You will find out what they will be doing in their class and how you can help them to be successful with their learning. We hope you take the time to come to these very important meetings so you can give your child the best support with their education.

CALLING ALL GRANDPARENTS

If you are retired and have a spare hour or two each week that you might like to volunteer to the school, we would love to have you join our team of dedicated grandparents who come into school on a regular basis to read with children. If this is something you are interested in doing this year (the kids would love it and I can guarantee you will have fun!) please contact Shelley Matuku. You can phone her on 4442222 or email shelleym@bayview.school.nz or call in and see her in the office! Together we can help our children soar to new heights with their learning!

CHANGES TO HOW THE NEWSLETTER COMES TO YOU

As an enviroschool we have always angst over the fact we send home paper copies of the newsletter that either don't make it home or get filed in the bin without being read. We have made the decision to go as paper free as possible this year so enclosed with this letter is a contact details update sheet. On this sheet we are asking parents to give us an email address we can send the newsletter home to. If you require a paper copy you will have to opt in to this by ticking the appropriate box otherwise no paper newsletter will be sent home.

This will take full effect by the end of term 1.

AMAZING PARENTS

We have the most caring and amazing parents at Bayview School. I just wanted to say a huge thank you to the people who:

- Have donated food for us to give to children at break times who have nothing to eat;
- Have donated a set of stationery to give to children who don't have any;
- Have donated fees towards the cost of camp to support families with more than one child going;
- Have donated school uniforms to students needed the next size up;
- Have donated hats to kids without one;
- Have donated equipment around the school for all to enjoy;
- Have donated their time to come and read with our children;
- Have donated their time to oversee the crossing in the morning or afternoon;
- Drive a walking school bus to school;
- Are considering/already coaching or managing a sports team this year.

You all make Bayview the vibrant, caring, compassionate and understanding community that it is.

If any of these ideas appeals to you please contact the office and Shannon will direct you to the appropriate staff member.

QUERIES, CONCERNS, WONDERINGS

If you have any queries about what is happening at school for your child, please contact your child's class teacher first. If this does not answer your queries then please feel free to call in and see either Shelley or myself in the office. Sports queries should be directed to Katrina Cray or Nathan Hinton as they organise all the school sport.

Di and the Team Bayview Staff

KEEPING OURSELVES SAFE

To start the 2019 school year we will be teaching the NZ Police 'Keeping Ourselves Safe' programme. This programme is written by the police in conjunction with teachers, and teaches children what to do if they are in a situation where they feel unsafe. The police have recommended that it is best practice to run this programme every second year and we last taught this in 2017. We want to start the year with this as it will help set expectations for the children and set a positive tone in the school.

As part of this Senior Constable Louise Nicholas will be running some parent sessions to explain content and answer any queries parents and caregivers may have. These will be held on the 7th February 2019:

Session 1 3.45-4.15pm

Session 2 4.15-4.45pm

These will be held in the multimedia suite. I urge all new parents whose children have not been taught the Keeping Ourselves Safe programme to attend one of these meetings.

Dates for diaries

<i>Expectation meetings</i>	7/2
<i>Parent meetings re Keeping Ourselves safe</i>	7/2
<i>Ms Lambert is getting married!</i>	9/2
<i>Heart Kids fundraiser</i>	14/2
