Dear Team Bayview,

We are now more than half way through the first term and are grateful to everyone who has ensured their children have everything they need to make a positive start to school. We have been so lucky with the weather and hope this continues for the Year 5/6 camp coming up in 3 weeks time! Our seniors are off to Camp Adair in the Hunua Ranges and will be participating in a range of fun and challenging activities. Thank you in advance to the parents who will be going on camp to ensure the safety of all our children. We hope you have a fabulous time!

A huge thank you also to the parents who are volunteering to coach or manage sports teams. The best gift you can give is your time. If you are interested please let one of our sports teachers know. All sports notices are given at assemblies, on facebook and via notices home.

You will know that co-ordinating sports is a massive and often thankless task on top of a full teaching load. Thank you to Katrina Cray and Nathan Hinton for setting up opportunities for our students to participate in a range of sports. At primary school it is important that children get the opportunity to try a range of different sports so they can identify which sport or sports they want to carry on with through their schooling years. It is important that we allow children to make these choices themselves and to give everything a go! **FRIENDS OF BAYVIEW SCHOOL (FOBS) FUNDRAISING**

Hi Friends of Bayview. This is an overview of what we discussed at our recent meeting. We will contact people closer to each event to ask for your help.

SCHOOL PRODUCTION

It's school production year and we are scheduled to run 3 performances on the evenings of 24th, 25th, 26th September.

The production is being written by Lynley Forde from 2flourish and a group of creative students. It is based around the character strengths painted in our mural on the side of the hall. Watch this space for updates!

FREE LIFE SKILLS COURSE

Money impacts all areas of our lives: what we can or can't afford, our relationships, what we eat, our health and wellbeing and much more. Your local CAP (Christians Against Poverty) Life skills is a friendly group where you'll gain practical skills and discover new ways to live for a brighter future.

The Life Skills course runs for 9 weeks at a time. Participants meet for 2 hours each week over morning tea or an evening meal (kids can go too as there is child care), and gain practical skills aimed at:

- Making money go further
- Cooking on a budget
- Living a happy, healthy life
- Building strong relationships

If this is something you think you may be interested in the next course is running on Mondays at 9-11am from 11 March – 15 April and 6 May – 27 May at Shore Community Church's office, 9B Piermark Drive, Albany. You can register by calling 0508227888 or emailing Amanda.hills@capnz.org or miki.brooks@capnz.org

DATE CHANGE FOR KATHRYN BERKETT!

WEDNESDAY 19TH JUNE

GLENFIELD COLLEGE AUDITORIUM

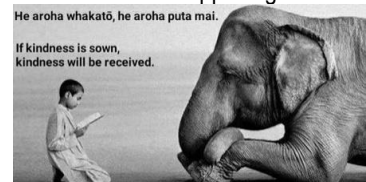

Kathryn Berkett is running 2 parent sessions to support parents with understanding their child's behaviour and developmental stages. These sessions will be held at Glenfield College and will be free to parents from our Kahui Ako Schools i.e. Bayview. We will send out more information closer to the date but I highly recommend parents attend one or both of these sessions.

PAID UNION MEETINGS

We have some union meetings coming up in the near future to discuss how negotiations are progressing around our collective agreement. We are staggering our attendance at these meetings so we can keep the school open. It will mean that on some afternoons classes may be split and supervised by teachers not attending that day's meeting. The meetings are being held during the week of 18-22 March. We will be sending a separate notice home about this so you know when this is happening.

MESSAGE FROM OUR PATROLS PEOPLE

To the Bayview community. The road patrol students are having some large issues with people not crossing when they are supposed to. Can you help us by crossing when we say "cross now". It will also minimise the chances of you encountering a moving vehicle, so it will also keep you safer.

These are the three calls you need to wait for to cross safely:

1. Check
2. Clear
3. Cross now

Ryan and Aaron

Could we also please be aware that if you park and drop off on the yellow lines directly outside the school it stops the crossing from functioning as they cannot see down the road. Please consider the safety of ALL our students at drop off and pick up as they are all precious!
