RAFFLE PRIZES

Thank you to everyone who has been selling raffle tickets for the school. Historically this has been a great fundraiser bringing in lots of money for the school. Our best sellers normally take raffle books to work or to sports events so they can tap into a different community.

Please remember that unsold books, butts and money need to be returned to school by **Monday 30th March** as the raffle is drawn under police supervision on **Thursday 2nd April**.

If you are interested in viewing the handbag or the camera these prizes are in our office.

FUNDRAISING

21/3- Book and Bake sale 9-12

5/4- Shore to Shore run

8/5 - disco

20/6 - Glenfield Has Talent Show

26/6 - Kaipatiki Matariki Festival

We are also keen to run a Quiz evening this year as these are popular and our wonderful PJ has offered to sponsor this! If you feel you have the time and skills to do this Mrs Staples would love to hear from you!

Dear Team Bayview

We know there has been a lot of media attention given to the Covid-19 virus. Our aim at Bayview is to keep you informed of developments in a calm way. We want to avoid any panic that may be being caused through the media. It is worth remembering that at schools there are many viruses that travel through the population i.e. flu, gastro bugs, hand foot and mouth virus, etc. The only way to reduce the number of infections is by ensuring children maintain hygienic practices. We are reminding students constantly to wash their hands, not share drink bottles, and to try to stop touching their faces. These are just reinforcing messages you would have taught your child at home. It needn't take the Covid-19 virus for us to use these basic hygiene principles. I will continue to keep you updated as we receive information from the Ministry of Education and/or the Ministry of Health.

BAM Boys and Men Reading evening

On Tuesday 24th March we are inviting all dads, grandads and/or uncles to join us with their sons/grandsons/nephews for a boys and men reading evening. The evening will start at 5.30pm with a BBQ to be followed with an informative and fun evening designed to support your child with reading (to start around 6pm). We have some special guests coming along to help make the evening fun, informative and interactive. The evening will finish at around 8pm.

Don't worry ladies and girls, we are looking to run a GLAM evening later in the year!!

We are holding these evenings as our data from 2019 indicated that boys needed a boost with their reading and writing and our girls needed a boost with mathematics. We know that the partnership between home and school is crucial to help support progress with our learners.

Te Reo Maori Lessons

This year we have employed Whaea Carol, our kapa haka tutor, to come in and teach Te Reo Maori to all our Y2-6 students. Carol is a registered teacher who taught in a bilingual unit and was senior teacher for the unit. Carol has 42 years' experience as a teacher and we are so lucky that she is working with our tamariki to build their confidence in speaking te reo. You could ask your child to share some of the things they are learning.

Friends of Bayview School (FOBS)

Thank you to all the parents who came to the FOBS meeting last week. From this a calendar of fundraising events has been developed including things such as discos, book and bake sale, daffodil day, etc. If you didn't manage to come to the meeting but have a great idea for fundraising please make contact with Janelle Staples to share your ideas:

Every Tuesday from 28 April (not Tuesday June 2nd as Teacher Only Day)

3.10pm - 4.40pm

Room: Multi-media suite

Motorised Model Building (Jnr class Year 0-3, Snr class Year 4-6)

Every Friday from May 1st

3.10pm-4.10pm

Room: Multi-media suite

Wellness and Hauora

This year Bayview School and the Kaipatiki Kahui Ako have a focus on wellbeing and hauora for both students and staff. At the end of 2019 we surveyed our children and found out the following:

- 37% of students say they are being teased/name called in a mean way - weekly/daily
- 95% of students agree/strongly agree that at school they are taught what to say or do if other children are being mean or bullying them
- 75% of Bayview students say they treat each other with respect (Kahui Ako average 75%)
- 87% of students agree/strongly agree that they stand up for other children if someone is mean to them (Kahui Ako average 78%)
- 80% of students agree/strongly agree that they can ask teachers for help.

This is only some of the data but it shows that we have some teaching to do as we want our results to be better! Teachers have unpacked this data and will be working on this with classes. I will share the rest of the data in our next newsletter.
