Good Friday holiday	10/4
Observance of ANZAC day	27/4
Term 2 begins (note this is a Tuesday)	28/4

Dear Team Bayview

Our annual Long Bay Trip was a huge success. Thank you to all the parents who helped on the day especially those who assisted with lifeguard duties while the children were swimming and those who helped with the BBQ. A huge thank you to PJ from Harcourts Cooper and Co who provided free water and fruit. We are so lucky to have such a supportive community to make this day possible.

FUNDRAISING 2020

On the evening of our expectation meetings we had our Head boy and girl go around and gain parent voice around fundraising for 2020. Our last big project was our adventure playground and now this is complete we need to decide what we would like to fundraise for this year.

From our survey we received 46 responses. The idea that was the most favoured (by a huge majority) was sun shade around the school. Some ideas were for actual fundraising events and others were for programmes in the school. Some ideas fall under our property portfolio or within curriculum budgets. Other fundraising ideas included: a swimming pool, flying fox, water play area, all weather cover, play based resources/equipment, pizza oven, more fruit trees, air conditioning, swimming lessons, splash pad, cricket nets, bench seating, and gardens.

From this the overwhelming response was for more sun shade. I will be liaising with shade companies to get some quotes for areas around the school.

Our first fundraiser for 2020 will be a raffle, organised by long time friend of Bayview School, Anne Crooks. This year we have received a number of prize donations and are so very grateful to the following companies: PJ from Harcourts Cooper and Co., Canon NZ, Shine On, Glenfield Mall, Smart Marine, Kawau Cruises, Kiwi Rail, Rainbows End, AJ Hackett, and Countdown supermarket. Tickets are being sent home on Friday 28th February. Please support us by selling as many tickets as you can. Raffle closes March 29th 2020, Raffle drawn April 2nd 2020 under Police supervision at Glenfield Community Policing Centre. Results published NSTA April 7th 2020. Winners to be notified by telephone or mail

TOILETING ISSUES

We are having some major issues with children not using the toilets properly. We have some children who are peeing on the floor of the toilets (both boys and girls) and others who are pooing on the back of the seats (almost as if they are standing on the toilet rim to go). We have spoken with the children about this and reminded them of how to use the bathrooms properly, but we need your help to reinforce these messages at home please.

INCREDIBLE YEARS PARENT PROGRAMME

Are you interested in learning more about effective, positive parenting? Incredible Years is a free group programme for parents with children aged 3 to 8 years old. The programme has useful information on how to handle various parenting challenges and covers topics such as:

- Helping your child learn through play.
- Understanding the development of your child.
- Using praise and encouragement to motivate your child.
- Setting clear limits and rules.
- Encouraging your child to solve problems.
- Learn how to manage tantrums and various attitudes.

The incredible years programme consists of 14 weeks of weekly 2 ½ hour sessions run by experienced Family Workers who are specially trained facilitators.

The next programme starts on Wednesday 26 February 2020 from 9.30am - 12 noon at St Georges Presbyterian Church, 2 The Terrace, Takapuna.

To register Ph. (09) 8351288 or email admin.waitakere@fwn.org.nz

GARDEN TO TABLE

This year our overarching theme for learning is kaitiakitanga and we will be doing a lot of learning around this through our Garden to Table programme. The Garden to Table programme builds skills for life through highly practical, hands-on classes - not only teaching growing and cooking skills but also building awareness of individual and collective responsibility for the environment, healthy eating and community connectedness. It is an opportunity for children across the country to get their hands dirty and learn how to grow, harvest, prepare and share fresh, seasonal food. For this to be successful we have dedicated teacher aide time for 90 minutes a day for classes to participate. Mrs Terry is overseeing the Garden to Table programme and this is all being complimented with the fabulous skills of our very own Erik Corbett.

At this stage the children are learning about what we already have in the school: vegetable gardens, two orchards, chickens, bees and a hall kitchen! This week some classes have made banana muffins (made from a bunch of bananas I grew at home).

We are currently gathering and purchasing resources so the children can start getting involved. If you are having a clean out and are wanting to find a new home for gardening equipment or cooking equipment we would love to be considered. We have already had two blenders donated to the school! Thank you so much! At times we may need some parent helpers as well and for this we will put a call out on Seesaw. We hope you may be able to help us when required.

We know the children are going to learn a lot from this programme which they may want to share with you at home.

Di and Team Bayview Staff

School Notices

Welcome to our new pupils:

Christian Vitale, Yuzuki Saito, Craig Santayo, Zoe Vosloo

We know you will enjoy your time at Bayview School!

Glenfield Tennis Club

- Junior & Senior tennis

For more info, check out our website: www.gtc.org.nz or email glenfield.tennis@outlook.com to talk with our Club Administrator.

GTC is located in Elliot Reserve, 70 Elliott Avenue, Glenfield.

CHESS COACHING

What happens in a Chess Power Coaching Programme?

Each session starts with a formal lesson; all players will learn a new strategy, idea or skill each week. Then they put those skills into practice with activities and games. All games are monitored and supervised by the coach who provides individual feedback along the way. Throughout the programme, we reward kids that do well and encourage and support kids that are struggling. At completion of the programme we recognise each child with a certificate based on their performance.

This is 10 weeks chess coaching program running on **Tuesdays** from **4 February 2020** till **7 April 2020** from **10:45 pm – 11:30 pm**. The fee will be \$100/student for the term. The sessions will be held in the Multimedia Room.

If the program is successful a new full 10-week program will be made available for Term 2.

REGISTRATION

If your child would like to be part of this please visit our website. Both registration and payment can be done online.
