INTERNET USER AGREEMENT

The internet is a great source for learning! At Bayview School, the use of the internet is designed for educational purposes only. The use of the internet at school is a privilege, not a right. Inappropriate use of the computers or internet will result in a cancellation of this privilege for the individual.

As parent/caregiver of this student, I understand that access to the internet is designed for educational purposes only. Bayview School has taken appropriate precautions to eliminate unsuitable sites. However, I am aware that it is impossible to restrict access to ALL unsuitable material as it changes on a daily basis. I will not hold the school responsible for material acquired on the internet. I understand that inappropriate use of the internet will lead to a loss of internet privileges for my child and that theft or intentional damage to equipment will result in a bill for repair or replacement costs.

I hereby give permission for my child to be given access to the internet.

SCHOOL WEBSITE

We have our own website www.bayview.school.nz and as a Sunshine School of Excellence also use their website www.sunshine.co.nz.

Opportunities may arise when teachers wish to show an exceptional piece of work on the internet. This is a great way to share children's work, but we need your written permission to do so. Please note that only first names of the children will be used. There will be no close up pictures of children used and any photos of children will not be labelled with their name.

I hereby give permission for my child's work to be display on the Bayview or Sunshine sites on the Internet.
