## INTERNET USER AGREEMENT

The internet is used as a learning tool at Bayview School. The use of the internet at school is a privilege, not a right. Inappropriate use of the computers or internet will result in cancellation of this privilege for the individual.

As parent/caregiver of this student, I understand that access to the internet is designed for educational purposes only. Bayview School is on the N4L fibre network provided to schools by the Ministry of Education and as such use the child friendly filters provided. Bayview School takes measures to ensure students only have access to appropriate educational sites, however I am aware that at times it may be impossible to eliminate access to all unsuitable material as it changes on a daily basis. I will not hold the school responsible for material my child inadvertently or purposely accesses on the internet and will let the school know as soon as possible of any breach involving my child. I understand that inappropriate use of the internet will lead to a loss of internet privileges for my child and that theft or intentional damage to equipment will result in a bill for repair or replacement costs.

*I hereby give permission for my child to be given access to the internet at Bayview School.*

## SCHOOL WEBSITE

We have our own website [www.bayview.school.nz](http://www.bayview.school.nz) and as a Sunshine School of Excellence also use their website [www.sunshine.co.nz](http://www.sunshine.co.nz)

Opportunities may arise when teachers wish to show an exceptional piece of work on our website or share this with Sunshine Books. This is a great way to share children's work, but we require your written permission to do so. Please note that only your child's first name will be used.

*I hereby give permission for my child's work to be displayed on the Bayview School or Sunshine Books sites.*

## MEDIA RELEASE

At different times we would like to use photographs of our students to share our success with parents and caregivers. These photographs may be displayed in classes, at school, on our website, in newsletters, on Seesaw, or on facebook.

*I hereby give permission for photographs of my child to be used at Bayview School in the ways described above.*
