### **Fonterra Milk in Schools**

Bayview School participates in the Fonterra Milk in Schools Programme.

*Fonterra have advised that “The programme is about growing healthy children. Milk contains essential nutrients for growth and development. The natural nutrition of milk gives children calcium for building bones and nutrients they need for sustained energy, concentration and learning in the classroom.*

*Participation in the programme is voluntary. Students who take part receive a free 200ml pack of Anchor Lite UHT milk every Monday, Wednesday and Friday. The school also receives a free fridge to chill the milk, and all used packaging gets collected for recycling.”*

If you would like your child to receive milk, please complete the permission slip below.

If you would like more information about the programme, you can visit [www.fonterramilkforschools.com](http://www.fonterramilkforschools.com). If you have any questions about Bayview School’s participation in the programme, please contact the school office.
