Monday 23rd August 2021

Dear Parents & Caregivers

You may have heard the Prime Minister's announcement this afternoon that Auckland is remaining at alert level 4 until Tuesday 31st August 11:59pm and this will be reassessed on Monday 30th August.

I want to reassure you that our school staff will continue to support your child's learning and wellbeing. This means that we will continue to provide learning from home opportunities through Seesaw. If you are not connected already or need some assistance accessing the learning please contact your child's teacher and they can support you to set this up. We have seen that the children have enjoyed connecting with their teacher and classmates through Google Meets each day. We are trying to be creative in our approach and bring some normality to learning from home by continuing with some of our everyday school routines. This is to help to ease anxiety and bring familiarity.

The wellbeing of you and your family continues to be our priority and we continue to encourage you to do what works best for you and your family.

Please remember that the school, playground and school grounds remain closed at Alert Level 4. Thank you for continuing to follow these guidelines and doing your part to keep everyone safe. Please keep checking the [locations of interest](#) as they are continually being updated and with some being close to our community.

We are in constant communication with the Ministry of Education and following their advice. This includes their guidance regarding the supply of devices and hard packs. Please contact your child's teacher if you require additional resources to support your child's learning at home.

We will continue to keep you updated with any new information that comes to hand. Please don't hesitate to reach out to Jacob or myself if you need anything jacoba@bayview.school.nz shelleym@bayview.school.nz

Ngā mihi

Shelley Matuku

Acting Principal
