

Dear Parents and Caregivers

Today you are receiving your child's end of year report. The report outlines the progress your child has made over the 2022 academic year and their achievement levels. At the bottom of the report for our Year 0-5 learners, we have shared which class they are in for 2023 and the name of their teacher.

We have thought long and hard about class placements for next year, using the following criteria in priority order:

- Your child's learning strengths and needs.
- Your child's maturity level and behaviour patterns.
- Friendships that have existed this year.

I am pleased to announce the following structure for 2023:

**The school office will be open from Monday 23rd January from 9am - 3pm for enrolments and any queries you may have.**

**Teachers will be in contact with you at the end of January to arrange an appointment time for a whanau map meeting on either the 2nd or 3rd February 2023. This will allow you to meet your child's teacher and for them to get to know your child as a learner and to get to know you. All learners will return on Tuesday 7th February 2023.**

Thank you for all you have done this year to support your children and the school. I look forward to working with you and your children in 2023 as we build on the many success we have had this year.

I wish you a very Merry Christmas and Happy New Year. Be safe and enjoy your time with your family and friends. ☺
